CLOUD

L’essenza dell’eleganza.
Un divano che rappresenta purezza
del design contemporaneo evocando
linee del passato.
Nuove forme raccordano basi e schienali
in un gioco di volumi inaspettato,
raffinato e leggero.

The essence of elegance.
The Cloud sofa represents a
contemporary design of purity,
bringing a touch from the past.
Brand new shapes, playing among the
backrests and seats, create a refined
and sophisticated environment.

Innovativi schienali si adattano all'ergonomia del corpo seguendo la sua naturale linea e accogliendo la testa. Tavolini e complementi ne completano funzionalità e comfort. I migliori materiali, frutto della ricerca italiana, compongono le imbottiture di CLOUD, divano che sorprende appena lo si prova.

Ergonomically adaptable innovative backrests follow the natural lines of the body and provide the ultimate accommodation for your head. Side tables and accessories enhance the features and comfort. The best materials, the fruit of Italian research, compose the padding of CLOUD: a sofa that captivates you instantly.

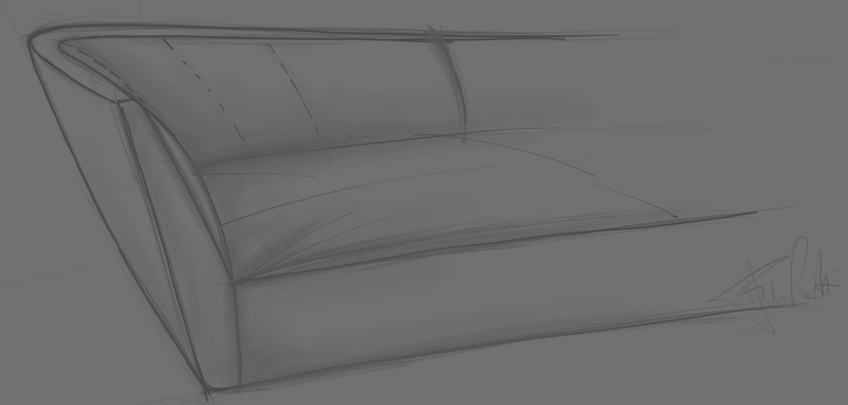
GAME *of* WAVES

Schienali e braccioli curvano
abbracciandole basi in un gioco
innovativo ed armonico di sinuose linee.
Combinazioni di curve alte e basse
differenziano la linea dei divani e
degli elementi componibili.
Ogni composizione si contraddistingue
per un profilo unico e originale.

Backrests and armrests bend
embracing the bases in an innovative
and harmonic play of curvy lines.
Combinations of high and low curves
differentiate the elements of this sofa.
Each and every composition is unique
and stands out due to its original outline.



TULIP

Un elegante guscio che
accoglie e protegge le spalle.
Un'ampia e confortevole seduta.
Volumi leggeri e scenografici al
contempo descrivono una poltrona
raffinata e prestigiosa.
Il basamento girevole in legno racconta
qualità e tecnologia del design.

Tulip is an exclusively elegant shell armchair, offering an utter sense of comfort and protection.
Inviting, light and scenographic volumes are the distinctive features of this refined and prestigious structure. Wooden swivel base highlights the quality and technology of the design.

FILIPH

Trasforma il modo di vivere il divano e introduce innovativi materiali che affascinano al primo approccio. Si distingue per l'assenza totale di divisione rigida tra destra e sinistra, davanti e dietro.
La disposizione degli schienali mobili è libera e asseconda il proprio personale comfort e il modo di vivere lo spazio abitativo attorno a sé.

Transforms the way to experience your sofa, introducing innovative materials that capture your attention immediately. It's distinguished by the lack of rigid division between right and left, front and back.
The disposition of movable backrests is absolutely free and guarantees greatest comfort in your living space.

FILIPH ci lascia liberi di assecondare
i nostri desideri di movimento.
La seduta si accorcia e si allunga a
piacimento, da formale a rilassata, si inverte
creando conversazioni vis-à-vis, diventa
chaise-longue per lettura e relax, sino a
grande letto libero e indipendente.

FILIPH allows us to indulge
our needs and desires for functionality
and movement.
The backrests can be positioned into
various configurations, from reduced to
extended sitting, from formal to relaxed,
inverted to form face to face conversations
or transformed into a chaise-longue, and
finally, into a free-standing large bed.

Turning SOFA *inside out*

Materiali innovativi ed alta sartoria: ogni particolare si declina in comfort e design.

1 All'interno di sedute e schienali l'innovativa microfibra HI-TEX rivoluziona comfort, accoglienza e microclima del divano. HI-TEX è un prodotto duttile dall'ottima elasticità e stabilità. HI-TEX è morbido, accogliente, leggero, ignifugo, traspirante, inodore ed ecocompatibile.

The innovative HI-TEX microfiber revolutionises the comfort, support and microclimate in the seats and backrest of the sofa. HI-TEX is a ductile product having excellent elasticity and stability. HI-TEX is soft, comfortable, lightweight, fireproof, breathable, odourless and environmentally friendly.

2 La sartoria è fatta di ricerca e tradizione, materiali e manualità. Profili, cuciture e gros grain raccontano la cultura dell'imbottito.

The tailoring comes from extensive research into tradition, materials and craftsmanship. The culture of upholstery can be seen in the details, piping stitching and the grosgrain.

3 Ogni nostra componente imbottita è studiata in densità, forma ed elasticità per donare comfort e resistenza nel tempo. Selezioniamo più di 20 tipologie di poliuretani espansi diversi, che sapientemente misceliamo a quote differenziate per ogni progetto di divano.

Each of our padded components is studied in density, shape and elasticity to give comfort and resistance over time. We select over 20 different types of polyurethane foams, which are skilfully blended with different densities for each and every sofa project.

4 Esclusive schiume poliuretaniche di ultima generazione, come la schiuma microcellulare a cellula aperta SOFF, donano nuovi livelli di comfort e traspirabilità, mantenendo eccellenti resistenze ed elasticità.

The latest generation of exclusive polyurethane foams, such as microcellular foam with open cell "SOFF", provide new levels of comfort and breathability while maintaining excellent strength and elasticity.

5 Soltanto "pura oca", una sapiente miscela di piuma e piumino, la meticolosa selezione delle piume intere e non rotte, la garanzia di origine e trattamento del prodotto secondo i più alti standard e il tessuto speciale ad alta tenuta conferiscono a un cuscino l' "Etichetta ORO" ASSOPIUMA®.

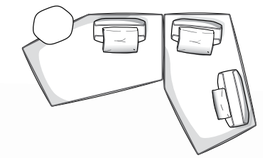
Only "pure goose" feathers, a blend of feathers and down, the meticulous selection of whole, unbroken feathers, a guarantee of the origin and treatment of the product to the highest standards and the cushions' special high tensile fabric is worthy of the "Gold label" ASSOPIUMA®.

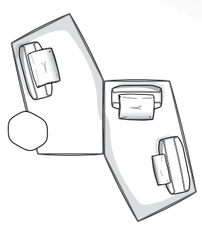
6 Ogni giorno testiamo ogni componente del vostro divano perché soddisfi la vostra ricerca di qualità e raffinatezza. Dai filati italiani al Velcro® originale, seguiamo le tendenze studiando le tecnologie migliori.

Every day we test each component of your sofa to ensure it satisfies your expectations of quality and sophistication. From Italian threads to the original Velcro®, we follow trends by studying the very best technology has to offer.

7 Sfoderabilità vuol dire creare prodotti perfetti sopra e sotto la fodera, ove ogni dettaglio sia curato e progettato per permettervi di cambiare gusti e colori qualsiasi momento vogliate. Senza pensieri, senza limiti.

Removable covers means creating perfect products on top of and under the lining, where every detail is well designed and expertly finished to allow you to change design and colourway whenever the mood takes you: limitless.





PENTAGONAL *shapes*

Poligoni irregolari e simmetrici si accostano tra loro delimitando spazi dinamici ma funzionali.
La forma pentagonale è studiata per accostarsi indifferentemente con divani a profondità 110 e 125cm.
E' invertibile, diventando a piacimento destra o sinistra.

Irregular and symmetrical polygons combine with each other to define a dynamic and functional space.
The pentagonal shape has been studied to combine perfectly with sofas 110 or 125cm depth.
It's reversible and can be positioned right or left as you please.

Esagoni, ottagoni e cerchi sono le forme essenziali da cui nascono le linee morbide di tavolini e complementi ai divani FILIPH. Pouff e tavoli giocano su più livelli creando configurazioni affascinanti e nuovi modi per fruire sedute e piani di servizio.

Soft lines of side and coffee tables are born from essential shapes as hexagons, octagons and circles.
Overlapping tables and poufs create fascinating configurations and new modes to enjoy the seat and the service plans.

LOVE CHAIR XL

Forme essenziali e raffinate per una poltrona che accoglie anche più di un ospite. Morbidi cuscini abbracciano il corpo e sottolineano la linea curva della struttura. LOVE CHAIR XL è la misura più ampia: una vera chaise-longue per due compatta e accogliente al contempo.

Essential and refined shapes draw an armchair that accommodate more than one guest.
Soft cushions wrap the body and underline the curvy structure.
LOVE CHAIR XL is the largest piece: a true chaise-longue for two people, compact and cosy at the same time.

matching LEATHER *and* FABRIC

Un inaspettato abbinamento di pellami
e tessuti esalta lo stile raffinato ma
informale del divano.
Gli elementi mobili ed i cuscini hanno
un'innata versatilità a miscelare
texture e materiali diversi creando
un sofisticato bouquet sensoriale.

An unexpected combination of leather and fabric enhances the refined yet cosy style of the sofa. Movable elements and cushions have an innate versatility to mix textures and several materials creating a sophisticated sensory bouquet of sensations.

TASTE *of* DETAILS

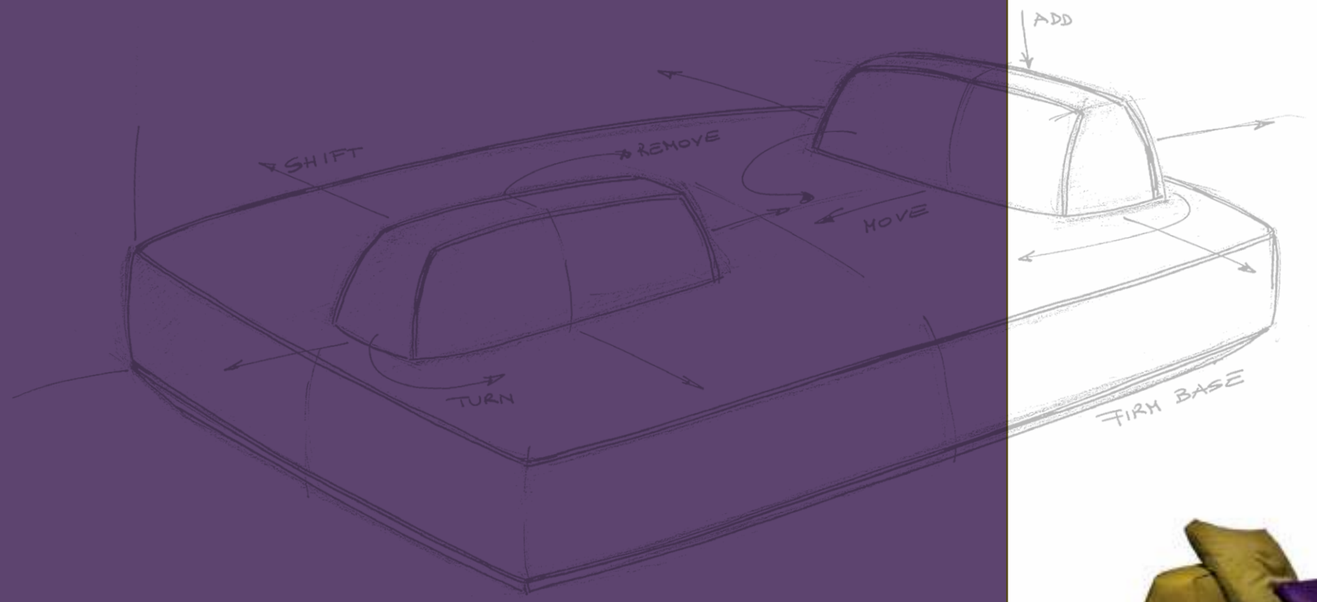
FILIPH ha una linea morbida ma definita da profili ed elementi mobili dal design scultoreo. Sofficità e rigore si miscelano creando un'elegante presenza tessile. L'isola è leggera grazie alla forma a 45° della base.

FILIPH' sculptural design has an understated elegance, thanks to the combination of its soft flowing shapes and rigorous lines.
It is notable the angular shaped base, at 45°, which donates a great sense of lightness.

Sunset *on the Rocks*

Gocce di ruggine lambiscono
i colori della terra, delle pietre,
della sabbia fine al tramonto.
La casa si colora elegantemente
di materici riflessi caldi
che illuminano i rassicuranti
toni dei grigi e dei beige.

Advance DESIGN *culture*



“The name FILIPH is a game of changed letters.
Like the sofa: you can use it front side and back, changing and moving elements”

Le isole destrutturate con schienali e braccioli mobili possono trasformarsi creando configurazioni di composizioni sempre diverse e legate all’esigenza del momento.
L’assenza di strutture fisse crea apertura e condivisione in qualsiasi ambiente lo si inserisca.

The detached elements, with movable armrests and backrests, can be transformed to create various configurations and compositions depending on your needs.
This allows you to create a feeling of openness and space in any room.

Ricerca
PROGETTAZIONE
e innovazione

Materiali innovativi ed ecocompatibili, nati dall'esperienza della moda, accolgono con una sofficità inaspettata e mantengono nel tempo la forma della seduta.
Speciali poliuretani ad elevata traspirabilità ed elasticità e materiali di derivazione nautica consentono agli schienali di spostarsi e nello stesso tempo di ancorarsi in qualsiasi posizione.
Gli schienali mobili sono progettati per accogliere anche due persone in appoggio o garantire un sostegno alto se dotati di cuscini accessori in Hi-tex.

The movable backrest has been designed to accommodate two people. The support of an additional Hi-tex accessory cushion, guarantees high backing for maximum comfort.
Innovative and environmentally friendly materials, born from the fashion industry, welcome an unexpected softness.
Special high resilient and elastic polyurethanes, along with materials of nautical derivation, allow free movement of the backrest, but at the same time, immediate anchor it in any position.

NOTHING MORE *than bed*

Una morbida e leggera housse è un accessorio indispensabile che veste il divano proteggendolo con l'eleganza di un abito su misura e la leggerezza di un lenzuolo appena stropicciato. Ora il divano è pronto per trasformarsi in un comodo e spazioso letto a una piazza e mezza.

A soft and light cover ("housse") is an essential accessory that dresses the sofa, protecting it with the elegance of a tailor-made suit and the lightness of a bed sheet. Now the sofa is ready to turn into a comfortable and large bed

FILIPH *outdoor*

A bordo piscina, sotto un ampio patio, una piccola veranda, o semplicemente sulla terrazza di una villa al mare: FILIPH OUTDOOR è costruito e studiato con innovativi materiali adatti ad un utilizzo open-air.
Le sue linee morbide, scultoree e il suo utilizzo flessibile esaltano le qualità del divano ogni volta lo si viva all'aria aperta e non solo.
Una collezione di speciali tessuti outdoor ne completano le caratteristiche di durata agli agenti atmosferici.

Designed and constructed with the most innovative materials suited for open-air use: FILIPH OUTDOOR is a brilliant solution to a large patio, small veranda, to an intimate setting by the pool, or simply on a terrace of a villa overlooking the sea.
Its soft, sculptural shapes and its flexible use emphasize the quality of the sofa, enabling you to enjoy it everytime whilst in the open air and indoors.
A collection of specific outdoor fabrics complement the characteristics against various atmospheric conditions.

Exploded view *of quality*

Qualità, tecnologie e materiali per durare nel tempo

1 Vero legno, massello e multistrato delle migliori essenze europee compone il pianale dei nostri divani. Le certificazioni FSC e classe E1 ed E0 dei nostri legni e multistrati garantiscono una gestione forestale responsabile ed i requisiti ambientali delle normative internazionali più rigorose.

Real wood, solid wood and plywood, our sofa frames are made from the best European species. FSC and E1 - E0 class certification for our wood and plywood guarantee responsible forest management and that environmental requirements of the most stringent international regulations are met.

2 Ogni componente dei nostri prodotti è progettata grazie ai più innovativi software CAD. Ogni struttura ed ogni imbottitura è lavorata o pesata con macchinari a controllo numerico in modo da garantire la più accurata precisione di ogni prodotto.

Every one of our product components is designed using the most innovative CAD software. The structure and padding is processed or weighed using numerically controlled machines in order to ensure each product is precisely accurate.

3 Piedi e basamenti sono studiati e prodotti nel distretto industriale della Brianza: dalle pressofusioni e verniciature alle lavorazioni del legno massello: tutto per garantire un sostegno che dura nel tempo.

The bases and feet are designed and produced in the Brianza industrial area: from the castings and coatings to the solid wood production; ensuring continued support over time.

4 I nostri divani utilizzano piani di molleggio realizzati con cinghie elastiche monodirezionali di nuova generazione ad alta componente di caucciù che donano un comfort particolarmente omogeneo e duraturo.

Our sofas suspension plans with new generation unidirectional elastic belts with high rubber content which provide exceptionally smooth, lasting comfort.

5 La continua ricerca del dettaglio si esprime anche nei più piccoli componenti: la scelta della migliore ferramenta delle officine del territorio esprime la qualità del made in Italy.

The continuous pursuit of detail is also used in the smallest components: choosing the very best hardware confirms the very best of 'Made in Italy' quality.

6 Ogni lavorazione viene eseguita e controllata in Italia: dalla produzione degli stampi alla miscela delle piume con i massimi standard di precisione e qualità.

Every product process is carried out and controlled in Italy: from the production of the moulds to the mixture of feathers, all with the highest precision and quality standards.

7 Sappiamo far convivere legno e metallo nelle nostre strutture, sapientemente miscelati, per dare resistenza e flessibilità insieme.

Our strength is understanding how to make wood and metal coexist in our products, expertly blending them to provide strength and flexibility.

OLTRE

Volumi morbidi e scultorei abbinati a ricercati particolari di sartoria tessile raccontano un divano “a pozzetto” raffinato ed elegante.
La cucitura ”a profilo” corre sulla struttura delineando i contorni e dando rigore alle accoglienti linee curve.
La sofficità e la naturale caduta della piuma e del piumino regalano, in contrasto, morbidezza e flessibilità di comfort.
La base della seduta sfuma verso terra creando, avvicinandosi al divano, un effetto di volume “aereo”.

Soft and sculptural shapes, along with gracefully refined tailor-made details, describe this unique and elegantly designed sofa.
The trim outlines the structure and delineates the profile, giving a rigorous aspect to its curvaceous lines.
Natural and flowing qualities of down feather donate ultimate softness and comfort.
The base of the structure fades into the ground, generating an “airy “ volume impression.

Esclusive lavorazioni RACCONTANO *i materiali*

OLTRE nella scenografica versione in pelle abbina pregiati ed esclusivi pellami a cuciture “al vivo” che esaltano la natura del cuoio.
I grandi piani di seduta e struttura permettono di leggere la vita, la lavorazione e la texture della materia.
Mentre velluti, tessuti e trame vestono le cuscinerie creando delicati ed esclusivi contrasti sensoriali.

In its scenographic leather version, OLTRE presents an exclusive upholstery with sharp edge stitchings, which highlight the exquisite nature of the leather.
The wide surfaces of the structure allow you to appreciate the origins and workmanship of the precious materials.

OLTRE richiama linee e finiture di memoria
ma stupisce con un design nuovo e ricercato.
Raffinati dettagli costruttivi e cuscinature
in piuma dolcemente scomposte creano
inaspettati contrasti sensoriali.

OLTRE recalls classical silhouettes and
finishings, but dazes with a new and
authentic design.
Refined details, smooth fabrics and
wavy cushions create an unexpected
sensory contrast.

Golden drops
on the earth colors

Bionde piume illuminano i toni della terra.
Una texture dorata cade sui legni che
richiamano colori antichi e rassicuranti.
Uno spazio intimo ci accoglie in casa,
tortora e blu notte disegnano
pregiati divani, mentre morbidi accessori
dai riflessi cangianti danno luce alla
matericità del pellame.

ISLAND BED

Il letto cambia la sua tradizionale immagine
trasformandosi in un'isola che integra materasso
ed elementi funzionali, liberamente posizionabili.
ISLAND BED aumenta lo spazio di vivibilità
senza ingombrare le tradizionali dimensioni
della camera.

The bed changes its traditional image turning
into an island that includes mattress and
functional elements,
that can be freely replaced.
ISLAND BED increases the living space,
without overloading the traditional room.

ISLAND BED con disposizione del materasso asimmetrica. Lateralmente si crea una grande area di appoggio.

ISLAND BED with asymmetric mattress layout, that creates a laterally extensive support area.

SQUARE LINE

Rigoroso e morbido al contempo:
SQUARE LINE definisce una presenza
elegante e materica ma non invadente.
I cuscini di varie densità e dimensioni avvolgono
la schiena senza ingombrare visivamente.
La seduta avvolgente ed elastica mantiene
un gusto composto.
Il gioco dei cuscini consente configurazioni
tradizionali o soffici e sofisticate composizioni
tessili, dove vuoti e pieni risaltano le linee
continue della struttura.

Rigorous, but at the same time delightfully soft, SQUARE LINE defines pure elegance. The cushions of various dimensions and density, wrap around the backrest, without obstructing the fine linear design. Different cushion combinations consent traditional configurations or soft and sophisticated textile compositions.

L’esclusiva versione SQUARE LINE STEEL mostra finiture preziose grazie al basamento in metallo dal design originale e dalle finiture personalizzabili. Complementi e accessori in pelle e cuoio ecologico giocano con le finiture in metallo della base creando un’immagine raffinata e innovativa del divano.

The exclusive version of SQUARE LINE STEEL displays a precious finishing thanks to its finely designed metal base. Accessories in leather and exclusive fabrics play along with the metal base, creating an innovative and refined image of sofa.

SQUARE LINE VENTICINQUE STEEL: versione del divano con bracciolo da 25cm e basamento in metallo
SQUARE LINE VENTICINQUE STEEL: 25 cm armrest and metal base sofa version

SQUARE LINE si modella al corpo grazie a più profondità e altezze personalizzate e diverse densità di materiali tradizionali o innovativi. Due diverse profondità e due altezze di seduta, tre differenti materiali di imbottitura nei sedili e due negli schienali, creano 24 diverse combinazioni di comfort: la totale personalizzazione di immagine e funzione.

SQUARE LINE perfectly adjusts to the body thanks to its customizable height and depth, along with different densities of modern and traditional padding materials. Two different depths and two heights, three different padding materials for seat cushions and two different backrest cushions, contribute to create 24 different combinations of comfort: total customization of image and function.

SQUARE LINE VENTI: versione del divano con bracciolo da 20cm
SQUARE LINE VENTI: 20 cm armrest sofa version

Custom-made COMFORT & SIZE

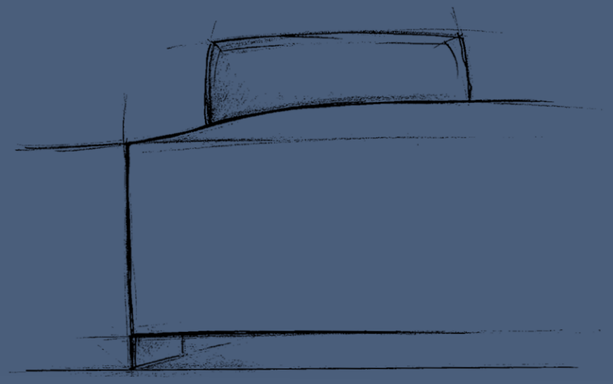
materials RESEARCH

Tradizione e tecnologia si esaltano a vicenda
risaltando finiture sartoriali e un comfort inaspettato.
Piume e piumini giocano e si completano con
imbottiture innovative in memory foam,
polilatex e microfibre hi-tex.
Tessuti tradizionali o vintage, pellami preziosi, accessori
in cuoio ecologico e acciaio, velluti e lini, creano mix
materici e di texture contemporanei ed esclusivi.

Tradition and technology underline finelytailored
look and unexpected comfort. Down and feather
complete the innovative padding in memory foam,
polilatex and hi-tex microfiber.
Conventional or vintage fabrics, precious leathers,
eco-friendly accessories and steel, velvet and linen:
create a mixture of contemporary and exclusive textures.

Vestito con cuscini liberi di varie
densità e dimensioni, SQUARE LINE si
caratterizza per i contrasti fra linearità e
morbidezza, dove vuoti e pieni risaltano
le linee continue della struttura.
I cuscini avvolgono la schiena e
sostengono la testa senza ingombrare
visivamente. Si adagiano al corpo
avvolgendolo nell'impalpabile sostegno
della piuma.

Surrounded by free cushions
of various dimensions, SQUARE LINE
is characterized by the sharp contrast
between linearity and softness.
The cushions wrap the back
supporting the head, maintaining
a light aesthetics: recline your body
by folding it into the impalpable
feather padding.



BLUM

Leggerezza nell'immagine, dettagli raffinati e comfort in seduta rappresentano le qualità di BLUM. BLUM avvolge il corpo grazie all'abbinamento di materiali tradizionali ed innovativi, accogliendolo con un sostegno personalizzato da diverse imbottiture e schienali ergonomici.

Visual Lightness, skillfully crafted details and comfort of the seating represent essential qualities of BLUM. BLUM embraces the body due to its various combinations of conventional and innovative support of different padding and ergonomic backrest.

Tailored DESIGN creations

BLUM offre un sostegno alto ed ergonomico grazie alla sapiente miscela di materiali tradizionali e imbottiture di nuova generazione. Tradizione e tecnologia si esaltano in un divano sartoriale dalle innovative soluzioni strutturali ma dall'immagine senza tempo.

BLUM offers high ergonomic support featured by traditional materials and innovative polyurethane foams. A Bespoke sofa that combines tradition and technology, together with innovative structural solutions.

Blue velvet
lights up antique brown

Intensi velluti blu e lucidi riflessi
del metallo vissuto illuminano profondi
ed eleganti colori minerali.
Grigi e marroni si fondono.
Una sfumatura di giallo richiama
l'attenzione e sottolinea la trama
del tessuto che ci avvolge.

Dettagliarmonici

Design ricercato nei particolari, raffinati, sinuosi e non evidenti: bombature degradanti e profili raccordati ammorbidiscono una struttura solo apparentemente lineare e squadrata.

Sophisticated and refined details, defines smooth lines that soften on apparently squared structure.

VOGUE
THE COVERS

GENTLEMAN

Una bergère che richiama il comfort del
passato ma mostra un nuovo design
leggero ed esclusivo.
Linee sinuose invogliano a sedersi e
delimitano uno spazio raccolto e privato.
L'alto schienale e un comodo pouf
consentono il relax in ogni situazione.
I dettagli e le finiture raccontano
sartorialità e innovazione.

The Bergère evokes the comfort of a
vintage armchair, but it shows a light
and exclusive design. Sinuous lines
attract to sit down and define a cozy
and private space.
The high backrest and a comfortable
ottoman allow you to relax at
any given time.
The details and the finishings
describe a sartorial craftsmanship.

WILL

La struttura sospesa e le lunghe sedute intere raccontano un divano dai volumi leggeri ed aerei.
Eleganti profili percorrono le forme morbide del divano e degli schienali creando un gioco di incroci tessili, mentre braccioli e schienali si uniscono alla struttura creando un raffinato gioco di volumi.

The light structure and long seating cushions portray an “airy” image of sofa. Fabric pipings go through the soft shapes of the structure and the cushions, highlighting the modern lines of WILL.
Armrest and backrest join the structure creating a delicate play of different depths and volumes.

Divano WILL da 265 cm nella versione con 2 schienali L
WILL 265 cm sofa with 2 L backrest cushions configuration

Divano WILL da 265 cm nella versione con 3 schienali M
WILL 265 cm sofa with 3 M backrest cushions configuration

Refined ATTITUDE Elegance

CHANEL

Oriental memories

teal painted

Un’impronta ottanio colora di
seduzione i toni naturali dei lini.
Ombre color caffè giocano con
sfumature magenta e segni di bianco,
evocando esotiche memorie.
La casa si tinge del nostro vissuto e del
desiderio di esplorare nuovi abbinamenti.

LOVE CHAIR

Forme essenziali e raffinate per una poltrona
che accoglie anche più di un ospite.
Morbidi cuscini abbracciano il corpo e
sottolineano la linea curva della struttura.
LOVE CHAIR è disponibile in tre diverse
misure di diametro e completabile con
un pouf dedicato.

Essential and refined shapes define
this armchair that accommodates
more than one guest.
Soft cushions hug the body and enhance
the curvy structure. LOVE CHAIR is
available in three different sizes and
accompanied with its own ottomans.

SHABBY

Piume e lini disegnano eleganti morbidezze:
SHABBY è un esclusivo prodotto che fa del contrasto fra volumi pieni e soffici vuoti la sua raffinata natura.
Le particolari cuciture sartoriali delineano i volumi piacevolmente scomposti dalle soffici imbottiture.
I cuscini, liberamente posizionati, giocano con forme, trame e colori esaltando l'avvolgente natura della piuma.
Divani e composizioni su misura sono dedicati a chi ama inaspettati ed eleganti abbinamenti tessili.

Feathers and linen draw an elegant softness:
SHABBY is an exclusively executed product.
Marked by sharp contrast between its voluptuous lines and downy cushions.
Presence of tailored seams pleasantly delineates the discomposed volumes of soft padding.
The cushions, while freely positioned, play along with the flowing shapes, texures and colors, highlighting the comfortable nature of feather down.
Sofas and tailored-made compositions are dedicated to those who love and appreciate unexpected fabric combinations.

BOLD

Un grande cuscino descrive e rappresenta
la testata morbida ed avvolgente, studiata
per appoggiare la testa in ogni situazione
di utilizzo del letto.
Il tessuto cade libero, arricchito da cuciture
esclusive che ne esaltano la natura shabby chic.
Il piano del letto è alto, comodo e può
nascondere, a scelta, un contenitore.

A “big pillow” describes the soft
and embracing headboard, designed
to place the head.
The falling fabric, enriched by its
exclusive stitchings, highlight the
shabby-chic character.
The bed base is high, comfortable and
it may hide an optional storage.

INDY

La raffinatezza delle sapienti lavorazioni del legno fanno da cornice a volumi tessili scenografici ma non invadenti. Una grande testata con “ali” che abbracciano i momenti di relax si contrappone ad una base aerea e sospesa per donare leggerezza. Legno e tessuto trovano la loro sintonia in un letto inaspettatamente sfoderabile.

Refined wood frames enclose spectacular textile volumes. A large headboard with “wings” which embrace moments of relax, sets against a suspended base to enhance the lightness of decor. Wood and fabric find their syntony in a bed unexpectedly with removable covers.

INDY si compone di un sistema di testate e basi che lo rendono inseribile anche in ambienti meno ampi.
Testate larghe o strette, basi in legno e tessuto o totalmente imbottite con contenitore, possono combinarsi tra loro per realizzare il letto ideale.

INDY is composed by a system of specifically designed headboards and bases, facilitating interior design in every kind of space.
Wide or narrow headboards, bases made in wood and fabric, or totally upholstered with container, blend to realize your ultimate model of bed.

Letto con testata stretta e base sospesa in legno.
Indy bed with 204 cm headboard and suspended wood base.

Letto con testata stretta e base contenitore.
Indy bed with 204 cm headboard and storage base.

Letto con testata larga e base sospesa in legno.
Indy bed with wide headboard and suspended wood base.

Letto con testata larga e base contenitore.
Indy bed with wide headboard and storage base.

TULIP

Struttura portante: in acciaio con inserti in legno.

Preparazione della struttura: in poliuretano espanso stampato a freddo ad alta densità. Sedile in poliuretano a densità differenziata stampato a freddo. Rivestimento della struttura con fibra di poliestere termolegata accoppiata con vellutino.

Sfoderabilità: rivestimento sfoderabile nella versione in tessuto e fisso nella versione in pelle.

Basamento: basamento girevole in legno massello disponibile in diverse essenze.

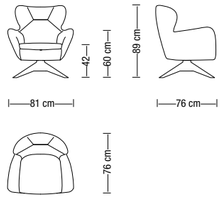
Structure: Steel framework, with wood insert.

Preparation of the seat: entirely moulded with cold-cure polyurethane. Moulded seat cushion with cold-cure polyurethane. Outer covering with a high depth polyester fiber heat-bonded to white technical fiber.

Covers: completely removable in fabric version and fixed in leather version.

Base: wooden swivel base, available in different finishes.

Poltrona
Armchair



FILIPH

Struttura portante: in legno massello e multistrato monoscocca con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: in poliuretano espanso a quote differenziate ad alta densità e resilienza. Ulteriore rivestimento della struttura in microfibra “Hi-tex”, imbottitura di ultima generazione, ad alto fattore di comfort, certificata OEKO-TEX STANDARD 100, ignifuga,100% riciclabile.

Schienali mobili: realizzati con 3 differenti parti in poliuretano sagomate a controllo numerico, a densità differenziata, ad alta resilienza. All’interno dell’assemblaggio delle imbottiture è predisposta una lastra d’acciaio che equilibra il manufatto. Ulteriore rivestimento dello schienale con fibra di poliestere termolegata, accoppiata con vellutino. Alla base dello schienale è predisposto, unito al rivestimento, uno speciale elastomero di derivazione nautica che permette l’ancoraggio per attrito.

Braccioli mobili: realizzati in poliuretano a densità differenziata. All’interno dell’assemblaggio delle imbottiture è predisposta una lastra d’acciaio che equilibra il manufatto.
Ulteriore rivestimento del bracciolo con fibra di poliestere termolegata accoppiata con vellutino. Alla base del bracciolo è predisposto, unito al rivestimento, uno speciale elastomero di derivazione nautica che permette l’ancoraggio per attrito.

Cuscini schienale: totalmente imbottiti in microfibra “Hi-tex” canalizzata di ultima generazione.

Sfoderabilità: rivestimento sfoderabile in tutte le versioni (tessuto e nabuk).

Basamento: speciali piedi arretrati in ABS con gomma antiscivolo che permettono il posizionamento delle composizioni divani senza ganci o connessioni fra gli elementi.

Structure: in solid wood and plywood, monocoque with high natural rubber content elastic strap webbing.

Preparation of the seat: in high resilience variable-density polyurethane foam. Outer covering with “Hi-tex” microfiber, innovative padding, certificated OEKO-TEX STANDARD 100, fire resistant, 100% recyclable.

Movable backrest: made with 3 different high resilience polyurethane parts shaped under numerical control. Backrest construction has inside a metal plate. Additional cover in heat-bonded polyester fiber laminated to technical fiber. Thanks to a special nautical elastomer fixed with the cover, backrest attach on the base.

Movable armrest: in variable-density polyurethane foam. Armrest construction has inside a metal plate. An additional cover in heat-bonded polyester fiber laminated to technical fiber. Thanks to a special nautical elastomer fixed with the cover, armrest attach on the base.

Back cushion: channeled “Hi-tex”, a last generation microfiber.

Covers: completely removable in all version (fabric and leather)

Base: specials half-hidden ABS feet, non-slip rubber allows to join sofa without junction hook.

FILIPH OUTDOOR

Struttura portante: in legno multistrato marino monoscocca con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: in poliuretano espanso ad alta densità e resilienza ignifugo e anti muffa. Rivestimento della struttura con falda di microfibra “Hi-tex” di ultima generazione, ad alto fattore di comfort, certificata OEKO-TEX STANDARD 100, ignifuga, 100% riciclabile. Ulteriore rivestimento con tessuto elasticizzato impermeabile, anallergico, con trattamento anti batterico, anti funghi e anti muffe.
Il fondo della struttura è rivestito con una membrana traspirante e impermeabile, e fissato con punti in acciaio inox.

Schienali mobili: realizzati con 3 differenti parti in poliuretano sagomate a controllo numerico, a densità differenziata, ad alta resilienza: il fondo è realizzato in una speciale schiuma microcellulare a cellula aperta che non permette la risalita dell’acqua. All’interno dell’assemblaggio delle imbottiture è predisposta una lastra d’acciaio verniciata a polvere che equilibra il manufatto. Ulteriore rivestimento con tessuto elasticizzato impermeabile, anallergico, con trattamento anti batterico, anti funghi e anti muffe abbinato ad una membrana traspirante e impermeabile sul fondo. Alla base dello schienale è predisposto, unito al rivestimento, uno speciale elastomero di derivazione nautica che permette l’ancoraggio per attrito.

Cuscini schienale: totalmente imbottiti in microfibra “Hi-tex” canalizzata di ultima generazione con rivestimento in tessuto impermeabile per esterno.

Sfoderabilità: rivestimento completamente sfoderabile.

Basamento: speciali piedi arretrati in ABS con gomma antiscivolo che permettono il posizionamento delle composizioni divani senza ganci o connessioni fra gli elementi.

Rivestimenti: per un utilizzo open-air ed outdoor dei divani si consigliano tessuti specificamente studiati per l’esterno.

Structure: in marine plywood monocoque with high natural rubber content elastic strap webbing.

Preparation of the seat: in high resilience polyurethane foam, fireproof and anti-mold. Outer covering with “Hi-tex” microfiber, innovative padding certificated OEKO-TEX STANDARD 100, fire resistant, 100% recyclable.
Additional covering made by waterproof elastic fabric, antifungal, anti-mold and with antibacterial treatment.The bottom side of the structure is close by a water repellent and breathable membrane fixed with stainless steel staples.

Movable backrest: made with 3 different high resilience polyurethane parts shaped under numerical control: the bottom is made in a special microcellular foam with open cells that doesn’t allow capillary water rising. Backrest construction has inside a powder coating metal plate. Additional cover made by waterproof elastic fabric, antifungal, anti-mold and with antibacterial treatment.
Thanks to a special nautical elastomer fixed with the cover, backrest attach on the base.

Back cushion: channeled “Hi-tex”, a last generation microfiber, outer covered with water repellent outdoor fabric.

Covers: completely removable in all versions. For outdoor or open-air use of the sofas, it’s advisable to choose outdoor fabrics.

Base: specials half-hidden ABS feet, non-slip rubber allows to join sofa without junction hook.

SQUARE LINE VENTICINQUE

Struttura portante: in legno massello e multistrato con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: in poliuretano espanso a quote differenziate ad alta densità e resilienza. Ulteriore rivestimento della struttura con fibra di poliestere termolegata di forte spessore, accoppiata con vellutino.

Cuscinatura: imbottitura cuscino in “Memofill” canalizzato (particelle di poliuretano viscoelastico termosensibile e innovativa microfibra “Hi-tex”) con inserto centrale in poliuretano ad alta resilienza. In alternativa: sedile in poliuretano espanso speciale “Polilatex”, con rivestimento in ovatta di poliestere siliconata ad alto spessore, accoppiata con tela di cotone bianca.
In alternativa ulteriore: cuscino in piuma canalizzata con inserto centrale in poliuretano ad alta resilienza.

Cuscini schienale: totalmente imbottiti in piuma d’oca canalizzata certificata “Assopiuma etichetta oro” con poggiareni integrato in fiocchi di fibra di poliestere, rivestimento supplementare in ovatta di poliestere ad alto spessore accoppiata con tela di cotone bianca per nascondere i segni della piuma.

Sfoderabilità: rivestimento sfoderabile nella versione in tessuto, fisso nella versione in pelle. Cuscini di seduta e schienale sempre sfoderabili.

Basamenti: piedi arretrati in legno massello. Basamento opzionale in metallo pressofuso ed estruso, disponibile nelle versioni: cromo, satinato, antracite o colori speciali (versione SQUARE LINE STEEL).

Poggiatesta: supporto in poliuretano espanso ad alta densità rivestito con fibra di poliestere termolegata di forte spessore, accoppiata con vellutino.
In alternativa: schienalino indipendente e spostabile in acciaio rivestito in pelle o in cuoio ecologico disponibile in svariate colorazioni.

Tavolini opzionali: indipendenti e spostabili in acciaio rivestito in pelle o in cuoio ecologico, disponibile in svariate colorazioni, con scivolanti in nylon.

Structure: in solid wood and plywood with high natural rubber content elastic strap webbing.

Preparation of the seat: in high resilience variable-density polyurethane foam. Outer covering with heat-bonded polyester fiber laminated to technical fiber.

Seat Cushions: “Memofill” quilt (heat-sensitive foam and innovative microfiber “Hi-tex” mixed) with high resilience polyurethane foam central insert. Alternative option: “Polilatex” cushion, a special polyurethane high resilience foam covered with a high depth polyester fiber heat-bonded to white cotton canvas. Alternative option: quilted goose down padding cushion with “Polilatex” foam central insert.

Backrest cushion: channeled goose down, (Certified Assopiuma, gold label) complete with a polyester fiber lumbar support insert. Additional cover in polyester fiber and white cotton canvas in order to hide feather signs.

Covers: completely removable in fabric version and fixed in leather version. Seat cushion and backrest cushion covers are completely removable.

Base: half-hidden solid wood feet. Optional perimeter frame in extruded and die-cast metal available chrome, satin, painted anthracite or special edition colors (SQUARE LINE STEEL version).

Headrest: support in high density polyurethane, covered with heat-bonded polyester fiber laminated to technical fiber.

Headrest, alternative option: movable metal backrest covered with leather or ecologic leather in many different colors.

Optional coffee tables: in steel covered with leather or ecologic leather in many different colors, nylon protective glides.

SQUARE LINE VENTI

Struttura portante: in legno massello e multistrato con molleggio garantito da cinghie elastiche ad alta componente di caucciù.

Preparazione della struttura: in poliuretano espanso a quote differenziate ad alta densità e resilienza. Ulteriore rivestimento della struttura con fibra di poliestere termolegata di forte spessore, accoppiata con vellutino.

Cuscinatura: imbottitura cuscino in “Memofill” canalizzato (particelle di poliuretano viscoelastico termosensibile e innovativa microfibra “Hi-tex”) con inserto centrale in poliuretano ad alta resilienza. In alternativa: sedile in poliuretano espanso speciale “Polilatex”, con rivestimento in ovatta di poliestere siliconata ad alto spessore, accoppiata con tela di cotone bianca.
In alternativa ulteriore: cuscino in piuma canalizzata con inserto centrale in poliuretano ad alta resilienza.

Cuscini schienale: totalmente imbottiti in piuma d’oca canalizzata certificata “Assopiuma etichetta oro” con poggiareni integrato in fiocchi di fibra di poliestere, rivestimento supplementare in ovatta di poliestere ad alto spessore accoppiata con tela di cotone bianca per nascondere i segni della piuma.

Sfoderabilità: rivestimento sfoderabile nella versione in tessuto, fisso nella versione in pelle. Cuscini di seduta e schienale sempre sfoderabili.

Basamenti: piedi arretrati in legno massello. Basamento opzionale in metallo pressofuso ed estruso, disponibile nelle versioni: cromo, satinato, antracite o colori speciali (versione SQUARE LINE STEEL).

Poggiatesta: supporto in poliuretano espanso ad alta densità rivestito con fibra di poliestere termolegata di forte spessore, accoppiata con vellutino.
In alternativa: schienalino indipendente e spostabile in acciaio rivestito in pelle o in cuoio ecologico disponibile in svariate colorazioni.

Tavolini opzionali: indipendenti e spostabili in acciaio rivestito in pelle o in cuoio ecologico, disponibile in svariate colorazioni, con scivolanti in nylon.

Structure: in solid wood and plywood with high natural rubber content elastic strap webbing.

Preparation of the seat: in high resilience variable-density polyurethane foam. Outer covering with heat-bonded polyester fiber laminated to technical fiber.

Seat Cushions: “Memofill” quilt (heat-sensitive foam and innovative microfiber “Hi-tex” mixed) with high resilience polyurethane foam central insert. Alternative option: “Polilatex” cushion, a special polyurethane high resilience foam covered with a high depth polyester fiber heat-bonded to white cotton canvas. Alternative option: quilted goose down padding cushion with “Polilatex” foam central insert.

Backrest cushion: channeled goose down, (Certified Assopiuma, gold label) complete with a polyester fiber lumbar support insert. Additional cover in polyester fiber and white cotton canvas in order to hide feather signs.

Covers: completely removable in fabric version and fixed in leather version. Seat cushion and backrest cushion covers are completely removable.

Base: half-hidden solid wood feet. Optional perimeter frame in extruded and die-cast metal available chrome, satin, painted anthracite or special edition colors (SQUARE LINE STEEL version).

Headrest: support in high density polyurethane, covered with heat-bonded polyester fiber laminated to technical fiber.

Headrest, alternative option: movable metal backrest covered with leather or ecologic leather in many different colors.

Optional coffee tables: in steel covered with leather or ecologic leather in many different colors, nylon protective glides.

SQUARE LINE VENTI

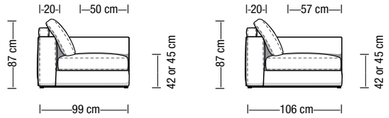
SQUARE LINE con larghezza bracciolo/schienale da 20 cm
20 cm armrest/backrest SQUARE LINE version

Disponibile in due profondità: 99 cm o 106 cm
2 depths available: 99 cm or 106 cm

Disponibile in due altezze di seduta: 42 o 45 cm
2 sitting heights available: 42 or 45 cm

Disponibile con tre tipi di materiali di seduta:
“Memofill” (soffice), “Piuma” (soffice e mossa), “Polilatex” (rigida)
3 seat cushion material versions available:
“Memofill” (soft), “Feather” (soft and wavy), “Polilatex” (hard)

Profondità seduta con schienale (M / L / XL)
Sitting depth with backrest cushion (M / L / XL)



Profondità seduta indicative con cuscino da 60x60cm o 69x69cm e schienalino di supporto in metallo e pelle
Sitting depth with 60x60cm or 69x69cm backrest cushion and leather/steel headrest
