MEDLEY™ COLLECTION

Over-dyed vivid hide-hair

Medley is a symphony of the hippest hide-hair rug combinations for those who likes to take a little risk with their decor. Classic color combinations merged with the over-dyed vivid hues elevate this collection to a new fashion tier. The double-banded metal stud border adds a subtle texture and fashion-forward style that is sure to inspire conversation.

Consumer note: Variations in shades and pile direction are a common characteristic of over-dyed natural skins. This is an all-natural animal skin product that will change in look over time with regular wear. This product is not recommended for high-traffic areas such as dining rooms, and special care should be exercised when moving
